Title: Need to construct a new railway line between Secunderabad and Karimnagar via Siddipet in Andhra Pradesh.

SHRI PONNAM PRABHAKAR (KARIMNAGAR): I would like to draw the kind attention of the august House towards an important issue of laying a new railway line between Secunderabad & Karimnagar Headquarters via Siddipet.

At present, there is a heavy rush on the route between Secunderabad & Karimnagar. There is a dire need to lay a new railway line between these areas to cater to the needs of the people like, employees, students, business men, who are daily commuting between Secunderabad and Karimnagar and to make an alternative and shortest route to avoid Kazipet route. I am happy to say that already the Hon'ble Railway Minister has announced the same in the railway budget 2011. This issue was long pending since two decades.

I, therefore, request the Hon'ble Minister of Railways, through the Chair to kindly issue necessary order for a proper survey between Secunderabad and Karimnagar via Siddipet in the remaining XI Five Year Plan itself with sufficient budgetary allocation to facilitate the people of Karimnagar Parliamentary Constituency.
